

LOYANG VIEW SECONDARY SCHOOL

A Community of Lifelong Learners, Future-Ready Leaders & Active Citizens

24 March 2025

Dear Parents/Guardians,

Welcome back to Term 2!

In the months ahead, our students will engage in a diverse range of opportunities designed to deepen their knowledge, strengthen their character, and develop essential life skills. Beyond academic growth, we aim to cultivate a sense of purpose and resilience, equipping them for future challenges. Through it all, we remain committed to nurturing a community of lifelong learners, future-ready leaders, and active citizens within a vibrant and caring school environment.

A. Term 2 Calendar of Events

Our Term 2 Calendar of Events is found in Annex A for your reference. We would like to provide you with timely information so that you are able to take note of important dates and events. However, we seek your understanding if changes are made during the year. We will keep you updated of such changes. Also, our school calendar is accessible on our website and Parents Gateway under Services.

Some highlights include:

- **Artist-In-School Scheme:**
In partnership with the National Arts Council, selected Secondary 2 and 3 students will participate in programmes to deepen their interest and skills in visual and literary arts. Under the tutelage of professional artist, Ms Celine Chia, Secondary 2 participants learn to create digital art representations of their literary works, which will be added as enhancements to the school's augmented reality literary arts trail. As part of the Secondary Three Art curriculum, students learn street style digital illustration and design from Mr Zulkarnaen Othman (ZERO). Through these programmes, students can gain valuable insights into the workings of the arts industry and develop their artistic skills for creative pursuits in art and design in the future.
- **IgnITE Skills Challenge:**
Selected students will be participating in this hands-on competition, organised by ITE. Students attend a workshop to gain valuable skills before they embark on the Challenge. Held from 27 March to 16 April 2025, it provides students with valuable exposure to various vocational skills challenges at ITE as well as prepares them for the upcoming Early Admission Exercise.

LOYANG VIEW SECONDARY SCHOOL

A Community of Lifelong Learners, Future-Ready Leaders & Active Citizens

- **Mother Tongue Languages Fortnight:**
This two-week programme will be held from 2 April to 11 April 2025. It aims to strengthen students' cultural understanding and enhance their Mother Tongue Language competency through structured activities and workshops. Each level will engage in distinct thematic activities, ranging from traditional culinary arts to heritage games, aligned with their learning objectives.

B. Student-Initiated Learning (SIL) Projects on Home-Based Learning (HBL) Days

Our students have been exploring areas of interest as part of their student-initiated learning (SIL) projects and documenting their journey in their class Padlet. We encourage parents to check in with their children about their projects — ask about their progress, challenges, and discoveries. Engaging in these conversations strengthens your connection and supports their learning. You can also explore the class Padlet together to celebrate their journey.

C. Personal Learning Device (PLD) Rollout for Secondary 1 students

Our Secondary 1 students will receive their Personal Learning Devices (PLD) on Friday, 4 April. Students will report to their classrooms at 2.30 p.m. to undergo the onboarding process with staff and vendors.

Parents will choose the desired setting for their child's/ward's PLD via the Device Management Application (DMA). The DMA supports students as they learn to use their PLD safely and responsibly. More information will be sent to parents nearer the date.

D. School Rules and Regulations: Recess and Lunch Break

Loyang View students are to exhibit the school values of Integrity, Respect, Responsibility, Resilience, and Compassion in their words and actions. As such, an action is considered an offence when it is not in line with the school values.

Our students have had the opportunity to rest in the classrooms during their recess and lunch breaks. However, some have yet to demonstrate the school values when unsupervised. Hence, from Term 2, lower secondary students are no longer allowed to remain in the classrooms during recess and lunch breaks. They can head to the various rest areas which include the canteen, foyer, library, and garden. This will also allow them opportunity to take a mental break from the classroom setting.

For the complete list of school rules and regulations, please refer to the School Handbook 2025, or the school website.

LOYANG VIEW SECONDARY SCHOOL

A Community of Lifelong Learners, Future-Ready Leaders & Active Citizens

School Rules and Regulations: Attire and Grooming

Our students are our ambassadors. We would like our students to be proud of their school attire and project a confident demeanour to others. We would like to seek your cooperation to reiterate this point to your child/ward.

Students are reminded that they are to adhere to the school rules. This means that they are not allowed to wear fanciful accessories, including non-plain pimple patches.

E. School Rules and Regulations: Late-Coming

Punctuality for school reflects our students' sense of responsibility. Students who are not present during attendance-taking at 8.30 a.m. on Mondays and at 7.30 a.m. on Tuesdays to Fridays will be considered late for school.

From Term 2, students who report to school after 9 a.m. on Mondays and 8 a.m. on Tuesdays to Fridays will report to the General Office before being sent to class.

ATTIRE & GROOMING

Hair

- Keep hair neat and natural, with fringe above eyebrows.
- For girls with long hair, tie it neatly and clip fringe, both with simple black accessories.

Face

- For boys, maintain a fully clean-shaven look with short sideburns.
- For girls, wear one ear stud per ear.

Full Attire **Half Attire** **PE Attire**

Attire

- Ensure your shirt, polo or t-shirt is always neatly tucked.
- For upper secondary boys, wear straight-cut pants that fully cover the ankles.
- For girls, wear skirt at knee level.

Shoes & socks

- Wear black, low-cut sports shoes.
- Wear plain white socks that cover the ankle.

I look forward to your continued support and partnership in the holistic development of your child/ward.

Yours faithfully

Mr Eugene Lin
Principal
